Jean Adrienne

When you speak to anyone seriously involved in metaphysics or New Age studies, they will tell you that the Earth's energy is shifting toward enlightenment. Jean Adrienne and her work is a serious part of that shift.

Jean Adrienne is healer, teacher, lecturer and creator of Quantum change. She is a graduate of Florida State University with a BA in Psychology. She also completed University of the South's four year Education for Ministry Program.

Jean developed and offers the InnerSpeak process. InnerSpeak helps to facilitate communication, healing, empowerment and Spiritual growth. It is a process of assisting people in "listening" to their bodies and helping them remove both spiritual, emotional and physical obstacles.

Jean is a Usui Reiki, Karuna Ki and Seven Rays Master and uses these tools in her healing sessions. She is an ordained minister in the Order of Melchizadek.

Soul Adventures, Jean's first book, is the story of her soul from its inception many lifetimes ago to this present incarnation. In this book, you are led on a mystical journey of intrigue, through pain, guilt, hatred, rejection and death, until she finally finds the Unconditional Love she has always longed for. You get to be with the heroine as she remembers who she really is and why she is here. You are shown how to create the reality you desire, manifest your destiny, and find your authentic self, meeting your Angels, Teachers and Guides along the way.

Hosts are:

Michael and Melainah Yee ~ The call of the dolphins brought them together and in 1999 they formed the "Family of the Dolphins ~ Ka Ohana O Nai'a," a ministry to educate people about the dynamic spiritual connection between humans, dolphins and whales: The Cetacean Nation.

Michael and Melainah adhere to the ancient Hawaiian belief in the Aumakua (Spirit Guardians and Ancestors) which parallels the Native American totem belief systems. Their acknowledged Aumakua are the dolphins and whales (Nai'a and Kohola) consecrated in the ancient Hawaiian ritual, Ho'o Mautua, as performed by a Kahuna Pule.

Together they perform many sacred ceremonies and rituals in the Hawaiian tradition including weddings, blessings and spiritual journeys on the land and guided dolphin swims in the ocean, and invite others to join them and participate in this profound awakening of consciousness.

As an optional experience they will lead us on a Dolphin swim.
